FAMILY LIFE (Potentially Sensitive Content)

IHAE-E-2

The Kindergarten to Grade 12 Physical Education/Health Education curriculum is mandated by Manitoba Education. Content related to substance use and abuse, personal safety and human sexuality is considered potentially sensitive.

Potentially sensitive content must be treated in ways that are appropriate for the local school and community context. Manitoba Education recognizes that the prime responsibility for education about issues of sexuality, including HIV/AIDS, rests with the family. It is clear to parents, teachers, and community health leaders that young people must have knowledge, skills, guidance and support if they are to make responsible and health-enhancing decisions.

In accordance with this, the option is available for parents of students at all grade levels to decide whether the student should receive school-based delivery of potentially sensitive content or delivery in an alternative setting of their choosing. Parents will be notified of the start date and topics to be covered prior to the program delivery.

- Yes**, I give my child permission to **receive school-based delivery** of the potentially sensitive content as outlined in the Physical Education/Health Education Curriculum.
- No**, I prefer that my child receive delivery of the potentially sensitive content as outlined in the Physical Education/Health Education Curriculum **in an alternative setting**. I understand that I am responsible for ensuring the delivery of the potentially sensitive content. Resources and curriculum materials are available through your school or on the Manitoba Education website at <http://www.edu.gov.mb.ca/ks4/cur/physhlth/curriculum.html>

Both parent/guardian and student must sign the Parent/Guardian and Student Consent for Search form at the time of registration in accordance with Policy JIHA, JIHA-R (Search of Student Desks, Lockers, Storage Areas, Student Effects and Student Driven Vehicles).

TECHNOLOGY & INTERNET ACCEPTABLE USE AGREEMENT

IJNDC-E-1, IJNDBA-E-1

The St. James-Assiniboia School Division strongly believes that the internet provides a valuable resource that teachers will use as a means to extend and enhance the learning experiences in the classroom. As such, you may expect your child to have regular access to the technology available in their school. Please be advised that access to Division computers will also include supervised access to the internet. St. James-Assiniboia School Division will not be held responsible for supervising students who access the internet on their own for purposes other than classroom educational activities.

Access to the Internet provides students with opportunities to utilize interactive tools and sites on public websites that benefit learning, communication and social interaction. Students will be held accountable for the use of any information posted on these sites if it negatively affects others. To prevent students from using digital technology or electronic communication to harm others, rules are in place and discipline may be taken if the rules are not followed. Teachers may recommend and use public interactive sites that, to the best of their knowledge are legitimate and safe. Because these sites are public all students must use their discretion when accessing information, storing and displaying work on the site. Teachers will provide students with guidance in this area. This applies to St. James-Assiniboia School Division owned devices as well as student owned devices using the St. James-Assiniboia School Division network. (Policy IJNDC, IJNDC-R, IJNDBA, IJNDBA-R)

As a parent or guardian and as a student, your signatures on this document, indicate that you support and will abide by the Division Technology policies and agree that access to technology as provided by the School Division is to be used for educational purposes only.

The St. James-Assiniboia School Division recognizes that print and digital media and the internet provide an ideal means to showcase and promote school and divisional activities and share student work with other students, parents/guardians, staff and the global community. At the same time, however, the Division remains committed to protecting the privacy and safety of all students. For this reason, the Division has established a protocol for the publication, broadcast and distribution of digital media under the regulations (IJNDBA-R) of Policies IJNDBA.

1. Publication of Student Photos & Student Work Samples

Student photographs or samples of student work may appear in the web version of the school newsletter, the school website or any associated teacher websites only with prior permission from the parents/guardians.

2. Publication of Student Names

Students appearing in photographs may only be identified by first name in any format being published to the internet or distributed to the greater community. This would include student names appearing in, but not limited to...

- a. the web version of the school newsletter
- b. the school website or its associated teacher websites
- c. student, classroom or teacher authored multimedia content
- d. Divisional promotional material (ie. The St. James-Assiniboia School Division's quarterly publication CONTACT)

NOTE: In situations where a student is being recognized for a local, provincial and/or national award, both first and last names may be used.

3. Publication & Distribution of Multimedia Content

Student, classroom or school created multimedia content may only be published to school or Division managed websites, or publicly accessible websites deemed appropriate by the School Division and/or distributed with prior permission from the parents/guardians. (For example, student, classroom or teacher authored multimedia content... classroom presentations, science fair projects, audio or video podcasts)

Please be aware that, at times, schools may choose to stream events such as sports games or music concerts to the internet. As these events are public in nature, privacy legislation does not require the School Division to obtain parental consent to stream the event.

Please check one option:

- YES, I DO** grant the St. James-Assiniboia School Division permission to publish my child's first name, photograph and samples of my child's work as per the protocols outlined above for the purposes of recognizing my child's accomplishments or publicizing and promoting school activities.
- NO, I DO NOT** grant the St. James-Assiniboia School Division permission to publish my child's first name, photograph and samples of my child's work as per the protocols outlined above for the purposes of recognizing my child's accomplishments or publicizing and promoting school activities.
